

Medication Home Delivery

Safe. Private. Convenient. Affordable.

Skip the lines and never be without your medication

With Elixir, no matter where you are in the U.S. or Puerto Rico, your medications are delivered on time, safely and confidentially—directly to your home.

If you're regularly taking maintenance medications, such as those for high blood pressure, cholesterol or diabetes, then home delivery may be a convenient and cost-effective option for you.

We coordinate with your doctor to deliver comprehensive pharmacy services, ensuring you get the individual support you need with every prescription fill.

Secure, private packaging

90-day supplies mean less chance of running out

Pay less with potential lower copays

Free standard shipping and delivery tracking

Transfer prescriptions, view order history, check refills remaining and get refill reminders

Elixir Pharmacy is a fully accredited mail order pharmacy focused on customer care and service.
